

9 January 1968

MEMORANDUM FOR THE RECORD:

SUBJECT: Security Committee Activities

1. Attached as Tab A is the Committee's Annual Report covering the period 1 July 1966 to 30 June 1967. Perhaps the most significant accomplishments during that period were the issuance of DCID 1/14 (Tab B) and the Study on Provocations and Harassments (Tab C).

2. By late in 1967, the Committee had also completed work on the study of ARFCOS (Tab D) and, at the request of the U. S. Secret Service, had prepared a list of "no foreign" measures utilized in the protection of Chiefs of State (Tab E). A working group on the PHS has met several times but is still in the formative stages.
